

**Colin Peterson visited SJE- Rhombus in Detroit Lakes, MN on August 17, 2017.** He spent about 1.5 hours with visiting with employee owners. He met with the ESOP committee and then had a tour and visited with some of our production and engineering teams. He stayed for another 30 minutes and visited with our Leadership team where good conversation and Q&A ensued. Congressman Peterson has co-sponsored a bill that would be fantastic for employee-owners as it would make ESOP distributions tax free. Check out the details below:
