

MN/DAK ESOP Association Chapter

MISSION

Communicate association benefits to members and prospective members and solicit new members. Greet and welcome new members and guests at chapter events.

WHAT WE DO

The Membership Committee communicates to MN/DAK ESOP companies about the many benefits of a membership with The ESOP Association and encourages them to become a member. We encourage all members to attend regional events.

The Membership Committee also hosts a professional's breakfast in the spring and a professional's happy hour in the fall.
